TASK SCENARIO

You have been asked to create a database for this year's Rockhill Music Festival. The festival will run over two days.

The database will record information about the:

- **customers**
- **tickets**
- **ticket sales.**

There are three different types of customer. For example, a customer can be a guest of the organiser.

There are three different types of ticket:

- **a Friday ticket will cost £39.00**
 - **a Saturday ticket will cost £49.00**
 - **a two day camping ticket will cost £88.00**
-
